## PROGRAM NOTES

### Tutoring

If your student is participating in tutoring, remember that tutoring comes first.

### Enrollment

- Registration is now online. If you are unable to register online, there will be paper catalogs and registration forms available in the front office. Volunteers will input paper forms at the end of each registration day.
- Classes are filled on a first come, first served basis.
- You will receive confirmation—letter or email—that your child is enrolled in a class. **Please do not send your child to class without written confirmation of his/her enrollment.**
- If a class does not enroll sufficiently, it may be cancelled. You will be notified and your fees refunded.
- One volunteer is helpful for each class. Volunteers will help with signing students in and out of class, as well as helping instructors.
- **Correspondence regarding any/all matters for the enrichment class should be directly with the enrichment teacher.**
- **Parents are responsible to add to their calendar the dates of each enrichment class in which their student is registered.**

### Snack and Clothing

- Each child may bring a small, easy to eat snack on class days to be eaten in the hallway and not in classrooms.
- Please send your children with clothing appropriate for their classes. Athletic and dance classes require appropriate clothes and shoes. Art can be messy!

### Financial Aid

Our intent is that all students have the ability to participate in our Enrichment Program. ***Students who are eligible for the Free and Reduced Lunch program may enroll in an Enrichment class for \$20. We are limited to only one class request per qualifying student per session.*** Please contact us with any questions or concerns. The ability to grant aid is based on the amount of money voluntarily donated to the program and by the generosity of our vendors and instructors who offer scholarship positions in their classes. We reserve the right to grant or deny all requests for financial aid.

### Class Fee

Class fees are set by our vendors and this program does not generate any profits. Class registrations managed by the Fairmount Park Elementary Enrichment Program include a non-refundable \$20 fee for administrative and financial aid costs

### Pick Up

- After school, students are expected to transfer independently to an enrichment class. Teachers are given a class list at the beginning of each session, but they are not responsible for delivering students to their enrichment classes. If you think this may be a challenge for your child, please contact the coordinator and we will try to arrange a “buddy” to assist your child.
- **Parents are responsible for collecting their children promptly from classes.**
- **If prompt pick up becomes an issue, your student may be removed from the class without refund for remaining classes.**
- There will be no supervision for children after their class ends.
- Please make arrangements for pickup prior to enrolling your child in an after-school class.
- No bus transportation can be offered for enrichment program classes occurring before and after school.

### Behavior

At Fairmount Park Elementary, we have the expectation of respect for teachers/instructors and good behavior during classes.

Students are expected to maintain the same behavioral standards that they have during the formal school day. If an instructor identifies a behavior issue, the following steps will be taken:

- At the first incident, the instructor will contact parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, the instructor reserves the right to remove the student from the class without refund for remaining classes. Please discuss enrollment with your child to be sure they want to attend an after-school class.
